

PCD grinding cup wheels with polycrystalline diamond

- For removing of diverse coatings, adhesives, sealing, colors, soft screeds
- With high performance PCD picks

ST-PCD-U

ST-PCD-R

ST-PCD-H

ST-PCD-U with small round PCD picks for universal purpose, less damages of processed surface, optimal for thin layers

ST-PCD-R with large round PCD picks for harder coatings, aggressive

ST-PCD-H with sharp PCD picks for thick, elastic coatings, extremely aggressive
